ASSEMBLE THE QUILT TOP

The Flying Geese units are carefully placed to form a zig zag pattern across the quilt. To match the look, you must lay out some Flying Geese units pointing up and some pointing down (directions alternate by vertical row).

1. Referring to Quilt Assembly Diagram below, lay out Flying Geese units and remaining 5 x 9½" rectangles in eight vertical rows.

2. Sew together pieces in each row. Press seams toward rectangles.

3. Join rows to complete quilt top. Press seams in one direction.
